Educational

A special program has been devised to assist interested elementary and secondary school teachers. Schools wishing to receive environmental education fact sheets designed for multiple copy reproduction and use in the classroom, and other educational aids, should designate one staff member for environmental liaison. Forward that teacher's name and the school address to the Educational Resources Co-ordinator, Information Services Branch, Ontario Ministry of the Environment, 135 St. Clair Ave. W., Toronto, Ontario, M4V 1P5.
